

CAREER BREAK SCHEME - ADDENDUM TEACHING STAFF

The Management and Teachers' Sides of the Teachers' Negotiating Committee have agreed an addendum to the Career Break Scheme (TNC 2009/5) to clarify that a teacher on a Career Break is permitted to undertake salaried or wage earning employment outside Northern Ireland.

The first paragraph of Section 6 "Purpose" has now been extended to read:

6. Purpose

A career break may be allowed for most purposes including further study, domestic responsibilities, conducting one's own business, maintaining a family business, a stay abroad or employment outside Northern Ireland.

Paragraphs 2 and 3 remain as before.
