

## Application for recognition as a qualified teacher in Northern Ireland under E.C. Directive

*Notes* – to help us process your application with the minimum delay you should enclose the following documents where applicable an English translation.

- A statement from the education authority of the member state confirming your recognition as a qualified teacher.
- Your teaching qualification certificate.
- Your non-teaching qualification certificates and statements confirming your study after age 18.
- A statement from each employer confirming your employment.
- If applicable, a statement confirming the satisfactory completion of a probationary period.
